Parent Booster Volunteer Needs

Uniforms and Grooming:

- Help students with uniforms such as attaching sash, tartan, glengarry, belt, etc.
- Provide grooming assistance – braiding and pinning hair

Chuckwagon:

Provide and coordinate meals, snacks, and drinks to students & staff during marching band season at all competitions (Street and Field).

Seat Covers:

Place and later remove cloth seat coverings on bleachers in designated sections at home football games, awards and after field competitions.

Water Person(s):

Filling water jugs and squeeze bottles with water and ice. Water is needed at street and field competitions, for students when they must stand in place - water is brought to them in squeeze bottles. At football games, water is needed at the practice field area, the track where Guard rehearses, and in the stands. During competitions, water is needed at base camp, and for parades, pulled behind the Band in one or more carts.

Truck Driver(s):

Generally, requires ownership of a truck, submission of driver's license and proof of insurance, and experience pulling a box trailer. Use of their own truck would be used to pull box trailers.

Street Practice Volunteers:

- For parade street practices near GHS, volunteers are needed to help monitor the intersections and hold flags and traffic signs to guide vehicles to detours around the band practice.
- Volunteers needed to set up and monitor plastic street barricades at intersections so students can practice on the street for parade competitions. This requires at least one person with an SUV or truck that can load and unload the plastic barricades.
